

Product No: PAXCDC10

RED LION RS485 SERIAL COMMUNICATIONS OUTPUT CARD PAXCDC10

FEATURES

- 1000BaseT Copper SFP Transceiver
- Compatible with RJ-45 Connectors
- Designed for use with 5-digit LPAX displays

General Information

Brand	RED LION
Product Type	Accessory
Series	G303
Suitable For	PAX Units

Technical Attributes

Communication	RS485
Nominal Power (W)	9.5
Rated Maximum Operational Voltage DC (V)	24

Physical Attributes

Maximum Temperature (°C)	50
Minimum Temperature (°C)	0

Protection & Standards

Degree of Protection	IP66
