

Product No: 101126152

SCHMERSAL AES1102.4 (42VAC) SAFETY-MONITORING MODULE 101126152

FEATURES

- Safety switch with separate actuator
- Material: Stainless steel (V2A)
- Flexible actuator design
- Actuating radius: 50 mm

General Information

Brand	SCHMERSAL
Series	AES

Technical Attributes

Nominal Power (W)	2.4
Rated Maximum Operational Voltage DC (V)	24

Physical Attributes

Maximum Temperature (°C)	60
Minimum Temperature (°C)	-25

Protection & Standards

Degree of Protection	IP20
