

Product No: 100M010151001001000

**BD SENSORS DMP 331 PRESSURE TRANSMITTER STAINLESS
STEEL SENSOR (without media isolation)
100M010151001001000**

General Information

Brand	BD Sensors
-------	------------

Technical Attributes

Accuracy	0,5 % FSO
Electrical Connection	Male plug M12x1 (4-pin) / metal
Input Pressure (bar)	10
Output Signal	4 ... 20 mA / 2-wire

Physical Attributes

Gross Weight (g)	140
Housing Material	Stainless Steel

Protection & Standards

Standards and Approvals	IEC 60770
