

Product No: 716RD60500HVSW

CL ENCODER INCREMENTAL SHAFT ENCODER 716RD60500HVSW

General Information

Brand	CL ENCODER
Model	716
Product Type	Encoder Sensor

Technical Attributes

Input Current (mA)	80
Input Voltage DC (V)	4.75 - 28 (Temp. up to 85° C)

Physical Attributes

Operational Temperature Range (°C)	0 to 80
------------------------------------	---------
