

Product No: 942 084-999-016

**HIRSCHMANN MANAGED FAST ETHERNET DIN RAIL SWITCH 942
084-999-016**

General Information

Brand	HIRSCHMANN
Product Type	Managed
Series	RSPE

Technical Attributes

Uplink Ports	4 x Combo Ports (10/100/1000) Mbit/s
Configuration	Fast MRP (Hardware), Hirschmann Standard Configuration (Software)
No. of Ethernet Ports	24 x 10/100 Mbit/s (Fast), 04 x 10/100/1000 Mbit/s (Gigabit)
Port Configuration	04 x Combo Ports (10/100/1000 Mbit/s)
Power Consumption (W)	36
Power Supply Connection	02 x 24 to 60 V DC

Physical Attributes

Mounting Type	DIN Rail
Operational Temperature Range (°C)	-40 ° to +70 °

Dimensions

Dimensions (mm)	164 H x 209 (217) W x 120 D
-----------------	-----------------------------

Protection & Standards

Degree of Protection	IP30
Standards and Approvals	Z9 + IEC 61850, IEEE 1613, cUL61010, EN50121 (Substation, UL, Train)
