

Product No: TAC-W11-G5-RD-MC-0

ABB TERRA AC EV CHARGER WALLBOX 3P 415V 11KW T AC-W11-G5-RD-MC-0

FEATURES

- - Connectivity with Bluetooth, Wifi & Ethernet
- - Integrated DC earth leakage protection
- - Optimal charging with smart functionality
- - Minimal on-site intervention with remote software updates
- - IP54 Enclosure with Type 2 socket or integrated cable
- - Set up for energy meter integration
- - Dedicated ChargerSync™ app

General Information

Brand	ABB
Product Type	Terra AC Wall box

Technical Attributes

Authentication Method	RFID
Communication	Wi-Fi, Bluetooth, 4G, Ethernet
Connector Type	Cable 5m, Type 2
MID Certified	Yes
No. of Phases	3
Nominal Power (kW)	11
Output Current (A)	16
Rated Supply Voltage AC (V)	415

Physical Attributes

Mounting Type	Wall
Operational Temperature Range (°C)	-30 to +50

Protection & Standards

Degree of Protection	IP54
