

Product No: POLIM-H-2SD

ABB POLIM-H-2SD SURGE ARRESTER WITH METAL OXIDE RESISTORS, U_c 2kVDC & U_{res} 4.76kV AT 10kA

FEATURES

- - Nominal discharge current I_n (8/20 μs) 10 kA peak
- - For DC systems
- - Class DC-B
- - High energy absorption capacity
- - Indoor and outdoor installations

General Information

Brand	ABB
Product Type	Voltage Limiting Device

Technical Attributes

Continuous Operating Voltage DC - U _c (kV)	2
---	---

Physical Attributes

Creepage Distance (mm)	232
Flashover Distance (mm)	120

Dimensions

Height (mm)	90
-------------	----
