

Product No: TAC-W11-G5-R-0

ABB TAC-W11-G5-R-0 TERRA AC EV CHARGER WALLBOX 3P
415VAC 11kW WITH RFID+5M CABLE

FEATURES

- Connectivity with Bluetooth, Wifi & Ethernet
- Integrated DC earth leakage protection
- Optimal charging with smart functionality
- Minimal on-site intervention with remote software updates
- IP54 Enclosure with Type 2 socket or integrated cable
- Set up for energy meter integration
- Dedicated ChargerSync™ app

General Information	
Brand	ABB
Product Type	Terra AC Wall box
Technical Attributes	
Authentication Method	RFID
Communication	Wi-Fi, Bluetooth, RS485
Connector Type	Cable 5m, Type 2
Maximum Current (A)	16
No. of Phases	3
Rated Power (kW)	11
Rated Supply Voltage AC (V)	415
Physical Attributes	
Mounting Type	Wall
Operational Temperature Range (°C)	-30 to +50
Protection & Standards	
Degree of Protection	IP54
