FEATURES

- Suitable for most of the PULS DC-UPS control units
- Includes a PT1000 temperature sensor
- Includes an auto-resettable fuse for the center-tap connection

General Information

Brand	PULS
Country of Origin	Czech Republic
Customs Tariff Number	85049090
E Classification	E-CS04
Product Type	Accessory
Range	DIMENSION
Series	U series
Warranty Period (Months)	36

Technical Attributes

Efficiency	%
Special Application	Hazardous location
Use In Crosslinking	Yes

Physical Attributes

Conformal Coating	No
Mounting Type	DIN Rail

Dimensions

Dimensions (mm)	23W x 110H x 15D
Weight (g)	0

Protection & Standards

Degree of Protection	IP20
