

Product No: SCB1-3-80

NOVARIS SPD DISCONNECTOR, 80KA, DIN RAIL MOUNT SCB1-3-80

FEATURES

- - Provide over current protection
- - Designed to trip at AC currents more than 3A
- - Generally used at main switchboards
- - Can be used with all SD, SDN & SDEV products

General Information

Brand	NOVARIS
Product Type	Surge Circuit Breaker

Technical Attributes

Impulse Withstanding Current (kA)	80
No. of Poles	1P
Nominal Voltage AC (V)	230

Physical Attributes

Mounting Type	DIN rail
Operational Temperature Range (°C)	-25 to 60

Dimensions

Dimensions (mm)	17W x 72H x 85L
Weight (g)	118

Protection & Standards

Degree of Protection	IP20
Standards and Approvals	IEC 61643-11, IEC 60898-1
