

## Product No: POLIM-D-24-10

### ABB POLIM-D-24-10 SURGE ARRESTER WITH METAL OXIDE RESISTORS, U<sub>c</sub> 24kVAC & U<sub>res</sub> 84kV AT 10kA

#### FEATURES

- - Nominal discharge current In 8/20 $\mu$ s 10 kA peak
- - Line discharge class (LD) 1
- - Grey colour
- - Direct molded in silicone housing
- - Outdoor and indoor application
- - Tested according to IEC 60099-4

#### General Information

Brand	ABB
Product Type	Voltage Limiting Device

#### Technical Attributes

Continuous Operating Voltage AC - U <sub>c</sub> (kV)	24
---	----

#### Physical Attributes

Creepage Distance (mm)	1101
Flashover Distance (mm)	420

#### Dimensions

Height (mm)	429
-------------	-----
