

## Product No: LE00856

### ABB IP44-55-65; RECTANGULAR; IP44-IP55-IP65 JUNCTION BOXES IN THERMOPLASTIC MATERIAL LE00856

#### FEATURES

- Thermoplastic junction box
- Surface mounting
- Untreated surface finishing
- Blind cover
- IP65 degree of protection

#### General Information

Brand	ABB
Halogen Free	Yes
Product Type	Thermoplastic Enclosure
Weatherproof	Yes

#### Technical Attributes

Cover Attachment	Screwed
Rated Insulation Voltage (V)	1500
Surface Protection	Untreated

#### Physical Attributes

Colour	Grey
Cover Style	Blind Cover
Door Type	Opaque Door
Lid Screw Type	¼ turn plastic
Material	Plastic
Minimum Ambient Temperature (°C)	-25
Operational Temperature Range (°C)	-25 to +75
Sealable	Yes
Shape	Rectangular

#### Dimensions

Dimensions (mm)	220W x 80D
Length (mm)	80

### Protection & Standards

Degree of Protection	IP65
