

Product No: HP15M4

MERSEN FUSE LINK 4A 1500V DC gPV 10X85mm FERRULE TYPE HP15M4

FEATURES

- Low Fault Current Interruption
- Temperature cycle withstand capability
- Durable construction for enhanced system longevity
- Breaking capacity 50kA
- Standard ferrule terminal
- Standards IEC 60269-6

General Information

Brand	MERSEN
Pack Quantity	10
Product Type	Fuse Link

Technical Attributes

Interrupting Rating (kA)	50
Power Loss (W)	2.58
Rated Current (A)	4
Rated Voltage DC (V)	1500
Terminal Type	Ferrule
Utilization Category	gPV

Physical Attributes

Terminal Material	Tin-Plated Copper
-------------------	-------------------

Dimensions

Diameter (mm)	10
Length (mm)	85

Protection & Standards

Standards

IEC 60269-6
