

## Product No: TAC-W7-G5-RD-MC-0

### ABB EV CHARGER IP, 230VAC 7.4kW WALL MOUNT TAC-W7-G5-RD-MC-0

#### FEATURES

- - Connectivity with Bluetooth, Wifi & Ethernet
- - Integrated DC earth leakage protection
- - Optimal charging with smart functionality
- - Minimal on-site intervention with remote software updates
- - IP54 Enclosure with Type 2 socket or integrated cable
- - Set up for energy meter integration
- - Dedicated ChargerSync™ app

#### General Information

Brand	ABB
Product Type	Terra AC Wall box

#### Technical Attributes

Authentication Method	RFID
Communication	Wi-Fi, Bluetooth, 4G, Daisy-chain ethernet
Connector Type	Cable 5m, Type 2
Maximum Current (A)	32
MID Certified	Yes
No. of Phases	1
Rated Power (kW)	7.4
Rated Supply Voltage AC (V)	230

#### Physical Attributes

Mounting Type	Wall
Operational Temperature Range (°C)	-30 to +50

#### Protection & Standards

Degree of Protection	IP54
----------------------	------
