

## RED LION ADVANCED IIOT GATEWAY DA50A0BNN0000030

DA50A0BNN0000030

### FEATURES

- VPN client/server capabilities with certificate generation
- Point and click connectivity to IIoT cloud platforms
- Real-time data, event and security logging with cryptographic signature support
- Future proof modular design accommodates field-installable sleds

### GENERAL INFORMATION

Brand	RED LION
Product Type	Communication Module
Series	DA50A

### TECHNICAL ATTRIBUTES

Communication Interface	Ethernet ports, RS-232 serial port, RS-485 serial ports
Memory Interface	Onboard memory: 1 GB flash, expansion memory: up to 256 GB, micro SD
No. of Ethernet Ports	2
Rated Supply Voltage AC (V)	12 - 24

### PHYSICAL ATTRIBUTES

Ambient Temperature Range (°C)	-40 to 75
Housing Material	Polycarbonate
Mounting Type	DIN Rail

### PROTECTION & STANDARDS

Degree of Protection	IP30
Standards and Approvals	EN 61326-1, IEC/EN 61010-1, RoHS compliant
