

Product No: JSHD4H2A

**ABB JSHD4H2A 0.15M THREE-POS. DUAL PUSHBUTTON
2TLA020002R0200 JSHD4H2A**

General Information

Brand	ABB
Product Type	Accessory

Technical Attributes

Connection Type	6 leads, 150 mm each
Rated Operational Current DC-12 24V (A)	0.02

Physical Attributes

Material	Housing: PP (polypropylene with mineral filling), Rubber: Thermoplastic elastomer on PP basis, Steering T: PP with fiberglass filling
----------	---

Protection & Standards

Degree of Protection	IP65
----------------------	------
