

Product No: 101140813

SCHMERSAL AZM170-11ZRK-2197-24VAC/DC SOLENOID INTERLOCK 101140813

FEATURES

- Solenoid interlock designed for very small actuating radii
- Features power to lock functionality with manual release option
- Equipped with two actuating directions
- Includes two safety contacts (NC) without auxiliary contacts
- Utilizes IDC method for terminal connection
- Thermal test current of 6 A
- Rated control voltage of 24 VAC/DC
- AC-15 utilization category rated at 230 VAC, 4 A
- DC-13 utilization category rated at 24 VDC, 2.5 A

General Information

Brand	SCHMERSAL
Series	AZM170

Physical Attributes

Maximum Temperature (°C)	60
Minimum Temperature (°C)	-25

Protection & Standards

Degree of Protection	IP67
