

## Product No: HT2016

### AMCI MULTI-TURN GEARED RESOLVER TRANSDUCER HT 2016

#### General Information

Brand	AMCI
Product Type	Resolver

#### Technical Attributes

Net Weight (kg)	1.81
-----------------	------

#### Physical Attributes

Operational Temperature Range (°C)	-40 to +125
------------------------------------	-------------

#### Protection & Standards

Degree of Protection	IP66
----------------------	------
