

Product No: 943 970-101

HIRSCHMANN MEDIA MODULE (8 X 100 BASE FX MULTI MODE DSC PORT) FOR MACH102 943970101

FEATURES

- 8 x 100BaseFX Multimode DSC port media module for modular
- IP20 Protection Class
- Guarantee period of 60 months

General Information

Brand	HIRSCHMANN
Product Type	Module
Series	MACH100

Technical Attributes

Electromagnetic Capability	10 V/m (80-2700 MHz)
Electrostatic Discharge (kV)	4 kV Contact Discharge, 8 kV Air Discharge
Mean Time Between Failure (MTBF)	1 224 826 h
No. of 100Mb Ports	8
No. of Ethernet Ports	8
Nominal Power (W)	10
Power Consumption (W)	10
Power Output in BTU (IT)/h	34
Surge Voltage (kV)	Power Line: 2 kV (Line/Earth), 1 kV (Line/Line), 4 kV Data Line
Transition Type	2 kV Power Line, 4 kV Data Line

Physical Attributes

Maximum Temperature (°C)	50
Minimum Temperature (°C)	0
Mounting Type	Media Module
Operational Temperature Range (°C)	0 - 50

Storage Temperature Range (°C)	-20 - 85
--------------------------------	----------

Dimensions

Dimensions (mm)	138W x 90H x 42D
-----------------	------------------

Weight (g)	210
------------	-----

Protection & Standards

Degree of Protection	IP20
----------------------	------
