

Product No:120655

STAHL 6161/2-11-321-0-1 SIGNALLING BEACON 230VAC RED 120655

General Information

Brand	STAHL
Product Type	Accessory
Reference No.	STAHL 6161/2-11-321-0-1
Series	6161

Technical Attributes

Rated Operational Voltage AC (V)	230
----------------------------------	-----

Physical Attributes

Colour	Red (Lens)
Enclosure Material	Aluminium, powder-coated - Seawater-resistant
Minimum Ambient Temperature (°C)	-40 / -40

Protection & Standards

Degree of Protection	IP66
----------------------	------
