

Product No: TAC-W7-T-R-C-0

ABB TAC-W7-T-R-C-0 TERRA AC EV CHARGER WALLBOX 1P 230VAC 7.4kW WITH RFID+4G

FEATURES

- - Connectivity with Bluetooth, Wifi & Ethernet
- - Integrated DC earth leakage protection
- - Optimal charging with smart functionality
- - Minimal on-site intervention with remote software updates
- - IP54 Enclosure with Type 2 socket or integrated cable
- - Set up for energy meter integration
- - Dedicated ChargerSync™ app

General Information

Brand	ABB
Product Type	Terra AC Wall box

Technical Attributes

Authentication Method	RFID
Communication	Wi-Fi, Bluetooth, RS485, 4G
Connector Type	Socket, Type 2
Maximum Current (A)	32
No. of Phases	1
Rated Power (kW)	7.4
Rated Supply Voltage AC (V)	230

Physical Attributes

Mounting Type	Wall
Operational Temperature Range (°C)	-30 to +50

Protection & Standards

Degree of Protection	IP54
