

## Product No: 103003942

### SCHMERSAL SLC440COM-ER-0490-30 SAFETY LIGHT CURTAIN 103003942

#### FEATURES

- Product Type: Safety light curtain
- Restart interlock feature included
- Integral System Diagnostics for monitoring performance
- Number of beams: 20 for reliable object detection
- Fail-safe digital outputs: 2 for secure operations
- Connection type: Terminal Connector for easy installation
- Detection capability: Objects as small as 30 mm in diameter can be detected
- Protection field height: 410 mm to cover a specific area

#### General Information

Brand	SCHMERSAL
Series	SLC

#### Technical Attributes

Nominal Power (W)	10
Rated Maximum Operational Voltage DC (V)	24

#### Physical Attributes

Maximum Temperature (°C)	50
Minimum Temperature (°C)	-10

#### Protection & Standards

Degree of Protection	IP67
