

Product No: LE00872

ABB IP44-55-65; RECTANGULAR; IP44-IP55-IP65 JUNCTION BOXES IN THERMOPLASTIC MATERIAL LE00872

FEATURES

- Thermoplastic junction box
- Surface mounting
- Untreated surface finishing
- Light grey (RAL7035) in colour
- IP65 degree of protection

General Information

Brand	ABB
Halogen Free	Yes
Product Type	Thermoplastic Enclosure
Weatherproof	Yes

Technical Attributes

Cover Attachment	Screwed
Rated Insulation Voltage (V)	1500
Surface Protection	Untreated

Physical Attributes

Colour	Grey
Cover Colour	Transparent
Door Type	Clear Door
Lid Screw Type	¼ turn plastic
Material	Plastic
Minimum Ambient Temperature (°C)	-25
Operational Temperature Range (°C)	-25 to +75
Sealable	Yes
Shape	Rectangular

Dimensions

Dimensions (mm)	153W x 66D
Length (mm)	66

Protection & Standards

Degree of Protection	IP65
