

## Product No: 101181883

### SCHMERSAL AZM170SK-02/10ZRK-2197-24VAC/DC SOLENOID INTERLOCK 101181883

#### FEATURES

- Coding feature for added security
- Actuating element is a magnet
- ISO thread of the sensor is M30
- Sensor length is 78 mm
- Switching voltage rated at 250 VAC
- Switching current capacity of 3 A
- Switching capacity of 750 W

#### General Information

Brand	SCHMERSAL
Series	AZM170

#### Physical Attributes

Maximum Temperature (°C)	60
Minimum Temperature (°C)	-25

#### Protection & Standards

Degree of Protection	IP67
----------------------	------
