

Product No: H6810-300A-.3V**VERIS POWER METERING CT SPLIT-CORE H6810-300A-.3V****General Information**

Brand	VERIS
Product Type	Split-Core
Type	Split-core

Technical Attributes

Accuracy	±1% of reading from 10% to 100% of rated current
Class of Insulation	600 Vac
Output Current (A)	300
Output Voltage AC (V)	0.333
Rated Frequency (Hz)	50/60

Physical Attributes

Operational Temperature Range (°C)	-15 to +60
------------------------------------	------------
