

## Product No: CN-MF-1000-3

### NOVARIS N TYPE M TO F, 1000V 20kA 3GHz RF SURGE PROTECTOR CN-MF-1000-3

#### FEATURES

- Gas discharge surge protectors
- Capable of passing RF signals to 3GHz.
- Fast response time

#### General Information

Brand	NOVARIS
Product Type	Surge Protector

#### Technical Attributes

Impulse Durability	C2 8/20 $\mu$ s, 5kA, 10 times
Maximum Discharge Current (8/20 $\mu$ s) (kA)	20
Maximum Working Frequency (GHz)	3
Modes of Protection	Signal - Earth
Sparkover Voltage DC (V)	1000
Voltage Protection at 5kV (10/700 $\mu$ s) - Up (kV)	1.8

#### Physical Attributes

Humidity	5 to 95%
Enclosure Material	Brass/ Nickel Plated
Operational Temperature Range (°C)	-40 to 85
Power Rating (W)	800 - 2000

#### Dimensions

Dimensions (mm)	25W x 25H
Weight (g)	150
