

## Product No: HP15M5

### MERSEN FUSE LINK 5A 1500V DC gPV 10X85mm FERRULE TYPE HP15M5

#### FEATURES

- Low Fault Current Interruption
- Temperature cycle withstand capability
- Durable construction for enhanced system longevity
- Breaking capacity 50kA
- Standard ferrule terminal
- Standards IEC 60269-6

#### General Information

Brand	MERSEN
Pack Quantity	10
Product Type	Fuse Link

#### Technical Attributes

Interrupting Rating (kA)	50
Power Loss (W)	1.97
Rated Current (A)	5
Rated Voltage DC (V)	1500
Terminal Type	Ferrule
Utilization Category	gPV

#### Physical Attributes

Terminal Material	Tin-Plated Copper
-------------------	-------------------

#### Dimensions

Diameter (mm)	10
Length (mm)	85

#### Protection & Standards

Standards

IEC 60269-6
