

Product No: 110D05013M103001070**BD SENSORS INDUSTRIAL PRESSURE TRANSMITTER
110D05013M103001070****General Information**

Brand	BD SENSORS
Product Type	Stainless Steel Sensor
Series	DMP331

Technical Attributes

Accuracy	0.35% FSO
Outputs	4-20 mA/2-wire

Physical Attributes

Material	Stainless Steel
----------	-----------------

Protection & Standards

Standards and Approvals	IEC 60770
-------------------------	-----------
