

## Product No: NHIPV-100

### MERSEN NHIPV-100 FUSE LINK 100A 1000V DC gPV NH SIZE 1

#### FEATURES

- - Up to 1000V DC
- - Breaking capacity 50 kA
- - Plain blade terminals
- - Inverter DC input protection
- - Standard IEC 60269-6

#### General Information

|               |           |
|---------------|-----------|
| Brand         | MERSEN    |
| Pack Quantity | 3         |
| Product Type  | Fuse Link |

#### Technical Attributes

|                          |              |
|--------------------------|--------------|
| Interrupting Rating (kA) | 50           |
| Power Loss (W)           | 17           |
| Rated Current (A)        | 100          |
| Rated Voltage DC (V)     | 1000         |
| Terminal Type            | Plain Blades |

#### Physical Attributes

|                   |                      |
|-------------------|----------------------|
| Mounting Type     | Clip                 |
| Terminal Material | Silver-Plated Copper |

#### Dimensions

|            |      |
|------------|------|
| Width (mm) | 39.5 |
|------------|------|
