

**Product No: LE00850****ABB IP44-55-65; RECT ANGULAR; IP44-IP55-IP65 JUNCTION BOXES IN THERMOPLASTIC MATERIAL LE00850****General Information**

Brand	ABB
Halogen Free	Yes
Product Type	Thermoplastic Enclosure
Weatherproof	Yes

**Technical Attributes**

Cover Attachment	Screwed
Rated Insulation Voltage (V)	1500
Surface Protection	Untreated

**Physical Attributes**

Colour	Grey
Cover Style	Blind Cover
Door Type	Opaque Door
Lid Screw Type	¼ turn plastic
Material	Plastic
Minimum Ambient Temperature (°C)	-25
Operational Temperature Range (°C)	-25 to +75
Sealable	Yes
Shape	Rectangular

**Dimensions**

Dimensions (mm)	105W x 50D
-----------------	------------

Length (mm)	50
-------------	----

### Protection & Standards

Degree of Protection	IP65
----------------------	------
