

Product No: NT24K-FP**RED LION NETWORKING FILLER PANEL NT24K-FP****General Information**

Accessory Type	Filler panel
Brand	RED LION
Product Type	Accessory
Series	NT24K
Suitable For	DR16 Modular Industrial Switch

Technical Attributes

Application	Factory Automation Utilities SCADA Security Surveillance Transportation Alternative Energy
Input Current (A)	2.26 at 24VDC
Input Current (mA)	790 at 120 VAC, 450 at 124VDC
Input Voltage AC/DC (V)	Low Voltage: 18-49 DC, High Voltage: 90-264 AC or 90-300 DC
Number of MAC Addresses	16K
Switching Type	Store & Forward
Typical Latency (µs)	1.6

Physical Attributes

Mounting Type	Rackmount 1U
Operating Humidity	5 to 95% (Non Condensing)

Dimensions

Dimensions (mm)	445(W)x48(H)x320(D)
Weight (kg)	5.83
