

## Product No: FD-41

### PANASONIC FIBER OPTIC REFLECTIVE SENSOR, FD-41

#### General Information

Brand	PANASONIC
Product Type	Safety Sensor
Suitable For	FX-500, FX-550, FX-100 series
Type	Reflective

#### Technical Attributes

Application	General-purpose
Beam Direction	Top-view
Fiber Type	Threaded
Sensing Range - STD (mm)	125 (FX-500 series)
With Sleeve	No

#### Physical Attributes

Ambient Temperature Range (°C)	-55 to 80
--------------------------------	-----------

#### Dimensions

Bending Radius (mm)	R2 Bending durability
Fiber Head Size	Diameter-M4, Length-14m
Cable Length (m)	2 (Fiber cable)

#### Protection & Standards

Degree of Protection	IP67
----------------------	------
