

Product No: FX-501P

PANASONIC DIGITAL FIBER SENSOR, PNP FX-501P

General Information

Brand	PANASONIC
Product Type	Safety Sensor

Technical Attributes

Emitting Element	Red LED
Output Operation	Light-ON/Dark-ON by L/D mode
Outputs	PNP open collector transistor
Rated Supply Voltage DC (V)	12 - 24
Timer Function	OFF-delay, ON-delay, One-shot, ON-delay - OFF-delay, ON-delay - One-shot timer

Physical Attributes

Material	Body & Cover - Polycarbonate
----------	------------------------------

Protection & Standards

Degree of Protection	IP40
----------------------	------
