

Product No: HP15M15

MERSEN FUSE LINK 15A 1500V DC gPV 10X85mm FERRULE TYPE HP15M15

FEATURES

- Low Fault Current Interruption
- Temperature cycle withstand capability
- Durable construction for enhanced system longevity
- Breaking capacity 50kA
- Standard ferrule terminal
- Standards IEC 60269-6

General Information

Brand	MERSEN
Pack Quantity	10
Product Type	Fuse Link

Technical Attributes

Interrupting Rating (kA)	50
Power Loss (W)	3.2
Rated Current (A)	15
Rated Voltage DC (V)	1500
Terminal Type	Ferrule
Utilization Category	gPV

Physical Attributes

Terminal Material	Tin-Plated Copper
-------------------	-------------------

Dimensions

Diameter (mm)	10
Length (mm)	85

Protection & Standards

Standards

IEC 60269-6
