

Product No: KFSU

DEHN ISOLATING SPARK GAP WITH 2 CONNECTIONS, RD 10mm KFSU

FEATURES

- Isolating spark gap
- For indirectly connecting / earthing functionally
- Isolated installation parts under lightning conditions
- For lightning equipotential bonding as well as for use in IT installations

General Information

Brand	DEHN
Product Type	Isolating Spark Gap
Reference No.	S923021

Technical Attributes

Connection Type	Round 10 mm
Rated Impulse Sparkover Voltage - $U_{r \text{ imp}}$ (kV)	4

Physical Attributes

Enclosure Diameter (mm)	43
Enclosure Material	Steel / Plastic coating

Dimensions

Dimensions (mm)	5W x 16H x 5D
Length (mm)	160
Weight (kg)	0.185

Protection & Standards

Degree of Protection	IP65
Standards and Approvals	IEC 62305, IEC 60364-5-54
