

Product No:IRMA0001

RED LION RTD TEMPERATURE INPUT MODULE IRMA0001

FEATURES

- Long Description: PAX PROFIBUS-DP Communications Card
- Short Description: PAX PROFIBUS-DP Communications Card
- Fieldbus Type: PROFIBUS-DP
- Bus Interface: Isolated RS485 through 9-Pin D-Sub connector

General Information

Brand	RED LION
Product Type	Temperature
Series	PXU

Technical Attributes

Accuracy	0.10%
Input Voltage DC (V)	3.3 - 35
Nominal Power (W)	5
Rated Minimum Operational Voltage DC (V)	24
Timing Range	< 30 ms / 300 ms response time

Physical Attributes

Maximum Temperature (°C)	50
Minimum Temperature (°C)	0
Mounting Type	DIN Rail

Dimensions

Dimensions (mm)	Slimline housing of 6 mm
-----------------	--------------------------

Protection & Standards

Degree of Protection	IP65
----------------------	------
