

## Product No: 244652

### STAHL 8602C3-727-B-M03-03-E03 ROTARY ACTUATOR, NOT PADLOCKABLE 244652

#### FEATURES

- Degree of protection (IP) IP66
- Enclosure material Polyamide
- Silicone-free Yes
- Number of switching positions 3

#### General Information

|              |          |
|--------------|----------|
| Brand        | STAHL    |
| Product Type | Actuator |

#### Physical Attributes

|                                |                       |
|--------------------------------|-----------------------|
| Ambient Temperature Range (°C) | -20 to +60            |
| Colour                         | Black                 |
| Material                       | Polyamide (Enclosure) |

#### Dimensions

|             |      |
|-------------|------|
| Weight (kg) | 0.04 |
|-------------|------|

#### Protection & Standards

|                      |  |
|----------------------|--|
| Certifications       | ATEX (PTB), Brazil (ULB), Canada (UL), Canada / USA (UL), IECEx (PTB), India (PESO), Korea (KGS) |
| Degree of Protection | IP66   |

#### Resources
