## Product No: CBLRLC07

### RED LION CABLE, RJ45 TO RJ45 0.15m STRAIGHT CBLRLC07

#### FEATURES

- Connects RJ45 to RJ45
- Cable length: 10 feet
- Straight configuration
- Suitable for Automation Systems and IO Systems
- PID Controller available in 1/16 DIN size
- Power connection options: DC 24 VDC or AC 100 to 240 VAC
- Main control output range: 0-10 VDC
- Universal input types including temperature and RTD with indication accuracy of ±(0.3% of span, +1 °C) at 25 °C

| General Information | |
|---|---|
| Brand | RED LION |
| Model | CBL |
| Product Type | Accessory |
| Series | PXU |

| Technical Attributes | |
|---|---|
| Nominal Power (W) | 5 |
| Rated Maximum Operational Voltage AC (V) | 240 |
| Rated Minimum Operational Voltage AC (V) | 100 |
| Terminal Type | RJ-45 |

| Physical Attributes | |
|---|---|
| Maximum Temperature (°C) | 50 |
| Minimum Temperature (°C) | 0 |
| Mounting Type | DIN rail |

| Dimensions | |
|---|---|
| Cable Length (m) | 0.152 |

## Protection & Standards

| | |
|---|---|
| Degree of Protection | IP65 |
