

Product No: PDB1511A531035

DELTA RT 5-10KVA SINGLE MAINTENANCE BYPASS SWITCH FOR EXT BATT MOUNTED AT REAR OF UPS/RA PDB1511A531035

FEATURES

- Delta RT 5-10kVA Maintenance Bypass Switch (single) for external battery model
- To be mounted at the rear of the UPS or in the rack

General Information

Brand	DELTA
Product Type	Accessory

Technical Attributes

Connection Type	1x terminal block, 3x C13, 2x C19
Input Frequency Range (Hz)	50/ 60
Nominal Voltage AC (V)	200/ 208/ 220/ 230/ 240

Physical Attributes

Humidity	5% to 95% relative humidity, non-condensing
Operational Temperature Range (°C)	0 - 550
Storage Temperature (°C)	15 - 550

Dimensions

Weight (kg)	2.9
