

**Product No: 101084533****SCHMERSAL IFL 2-12M-10ST NINDUCTIVE PROXIMITY SWITCH  
101084533****General Information**

Brand	SCHMERSAL
-------	-----------

**Technical Attributes**

Current for Voltage Drop (A)	0.2
Maximum Operational Voltage (V)	30
Maximum Voltage Drop (V)	1.2
Minimum Operational Voltage (V)	10
No. of Cables	3
Rated Operational Current (mA)	200
Switching Element	NO Contact
Switching Frequency (Hz)	800
Termination	Connector M12

**Physical Attributes**

Enclosure Coating Material	Nickel-plated
Housing Material	Brass
Installation Conditions	Flush
Maximum Ambient Temperature (°C)	70
Minimum Ambient Temperature (°C)	-25

**Dimensions**

Sensor Length (mm)	45.6
--------------------	------

## Protection & Standards

Degree of Protection	IP67
Standards and Approvals	EN IEC 60947-5-2
