

## Product No: CX-411

### PANASONIC COMPACT THRU-BEAM PHOTO ELECTRIC SENSOR CX-411

#### General Information

Brand	PANASONIC
Product Type	Safety Sensor
Series	CX-400
Type	Standard, Thru-beam

#### Technical Attributes

Emitting Element	Red LED
Output Operation	Switchable Light-ON/ Dark-ON
Current Consumption (mA)	Emitter-15 mA or less, Receiver-10 mA or less
Operating State/Fault Indication	Operation - Orange LED, Stability and Power-Green LED
Outputs	NPN open-collector transistor
Rated Supply Voltage DC (V)	12 - 24
Sensing Range (mm)	1000
Standard Sensing Object	ø12 mm or more opaque object

#### Physical Attributes

Ambient Temperature Range (°C)	-25 to +55
Material	Body-PBT, Lens-Acrylic

#### Dimensions

Cable Length (m)	2
------------------	---

## Protection & Standards

Degree of Protection

IP67
