

Product No: FP.AL.004S.02.WW

**Streamer FIPRES FPA 24(4S) ALARM 12-28VDC RS-485
MODBUS RTU 4C/O UPTO 4m3 VOL FP.AL.004S.02.WW**

FEATURES

- 2 versions: Single body FPA (FPA 24/X) and FPA with 4 corded sensors FPA 24(4S)
- Modbus 9600 bps, 8 data bits, 1 stop bit, none-parity
- Reverse polarity protection
- Auto-calibration based on environment conditions
- DIN Rail mounted

General Information

| | |
|---------------|------------|
| Brand | Streamer |
| Product Type | Fire Alarm |
| Reference No. | FPA 24(4S) |
| Series | FIPRES |

Technical Attributes

| | |
|------------------------------------|---------------------------------|
| Connection Type | RS-485 Modbus RTU |
| Discrete Outputs | Dry Contact (Maximum Power 60W) |
| Protected Volume (m ³) | up to 1 |
| Rated Supply Voltage DC (V) | 12 - 28 |

Physical Attributes

| | |
|------------------|-------------|
| Housing Material | ABS Plastic |
| Mounting Type | DIN-Rail |

Protection & Standards

| | |
|-------------------------|--|
| Standards and Approvals | EN 61000-6-5:2015, EN 61000-6-4:2007/A1:2011 |
|-------------------------|--|
