

Product No: PT131000

IPD CABLE PULLING TAPE 13mm X 1000m COIL PT131000

FEATURES

- - Self lubricated high tenacity polyester yarn, reel packaging
- - Low elongation, provides responsive pulls and reduces pulling time
- - Prevents snap-back, enhancing worker safety
- - The reel has a heavy duty synthetic core and flanges, which resists weather and impacts

General Information

Brand	IPD
Packaging	Reel
Product Type	Tape

Technical Attributes

Elongation	At 40% = Maximum 8%
Lock Thread	280 D/Tex Filament Polyester
Tensile Strength (kg)	570
Warp	2880 D/Tex Filament Polyester
Weft	560 D/Tex Filament Polyester

Dimensions

Length (m)	1000
Width (mm)	13
