

## Product No: RD3-48+TRI COMBO

### IPD RD3-48 EARTH LEAKAGE RELAY+ TRI TOROID KIT RD3-48+TRI COMBO

#### General Information

|              |       |
|--------------|-------|
| Brand        | IPD   |
| Product Type | Combo |

#### Technical Attributes

|                               |                   |
|-------------------------------|-------------------|
| Current Limiting Function     | FS 5              |
| Function                      | For Mixed Systems |
| Power Loss (W)                | 0.6               |
| Rated Frequency (Hz)          | 50/60             |
| Rated Operational Voltage (V) | 12 - 48           |
| Rated Voltage (V)             | 48                |
| Type of Residual Current      | A Type            |

#### Dimensions

|                         |    |
|-------------------------|----|
| Bore Hole Diameter (mm) | 35 |
|-------------------------|----|

#### Protection & Standards

|                         |                      |
|-------------------------|----------------------|
| Standards and Approvals | IEC EN 60947-2 and M |
|-------------------------|----------------------|

#### Resources

|                              |                                    |
