

## Product No: DVCII255-TNC

### DEHN DVCII255-TNC SPD KIT T1+T2, 3P In=25KA WITH C/O CONT.

#### FEATURES

- - Includes 3 x DVCII255FM + 1 x EBDG100013
- - With MEN link
- - Standards IEC/EN 61643-11

#### General Information

Brand	DEHN
Product Type	Surge Protection Device

#### Technical Attributes

Circuit Type	MSB
Follow Current Extinguishing Capability AC (kArms)	50
Integral Fuse	Yes
Lightning Impulse Current (10/350 $\mu$ s) - Iimp (kA)	25
Maximum Continuous Operating Voltage MCOV AC (V)	255
No. of Poles	3P+PEN
Nominal Discharge Current (8/20 $\mu$ s) - In (kA)	25
Nominal Voltage AC (V)	230
Operating State/Fault Indication	Green/Red
Response Time (ns)	$\leq 100$
Signal C/O Contact	Yes
Voltage Protection Level - Up (kV)	$\leq 1.5$

#### Physical Attributes

Mounting Type	DIN Rail
---------------	----------

#### Dimensions

No. of Modules	6
----------------	---

## Protection & Standards

Degree of Protection

IP20
