

Product No: 101085339**SCHMERSAL IFL 8-180M-10ST PINDUCTIVE PROXIMITY SWITCH
101085339****General Information**

Brand	SCHMERSAL
-------	-----------

Technical Attributes

Current for Voltage Drop (A)	0.2
Maximum Operational Voltage (V)	30
Maximum Voltage Drop (V)	1.2
Minimum Operational Voltage (V)	10
No. of Cables	3
Rated Operational Current (mA)	200
Switching Element	NO Contact
Switching Frequency (Hz)	400
Termination	Connector M18

Physical Attributes

Housing Material	Plastic
Installation Conditions	Not Flush
Maximum Ambient Temperature (°C)	70
Minimum Ambient Temperature (°C)	-25

Dimensions

Sensor Length (mm)	50.6
--------------------	------

Protection & Standards

Degree of Protection	IP67
Standards and Approvals	EN IEC 60947-5-2
