

**Product No: 18600G2500R151003001000****BD SENSORS 18.600G OEM PRESSURE TRANSMITTER  
18600G2500R151003001000****General Information**

Brand	BD Sensors
-------	------------

**Technical Attributes**

Accuracy	$\leq \pm 0.5 \% \text{ FSO}$
----------	-------------------------------

Electrical Connection	male and female plug ISO 4400
-----------------------	-------------------------------

Input Pressure (bar)	0.25
----------------------	------

Output Signal	4 ... 20 mA / 2-wire
---------------	----------------------

**Physical Attributes**

Gross Weight (g)	120
------------------	-----

Housing Material	Stainless steel
------------------	-----------------
