

## Product No: TMPRT002

### RED LION TEMPERATURE SENSOR TMPRT002

#### FEATURES

- RTD Sensor, Type 385
- Measure Temperature Up To 230°C (450°F)
- Steel Braided, Neoflon PFA Insulated Lead Wires
- 6" Cable

PIPE PLUG

#### General Information

Brand	RED LION
Product Type	Temperature Sensor

#### Technical Attributes

Accuracy	High
Accuracy Class	Class A
Type of Resistance	100 Ohm

#### Physical Attributes

Material	Platinum Element
Probe Material	Stainless Steel Probe

#### Dimensions

Diameter (mm)	6
---------------	---
