

## Product No: HRIS-DMB1132

### IDEC SAFETY RELAY HRIS-DMB1132

#### FEATURES

- 1NO-1NC safety input type such as magnetic coded safety switches
- Fault diagnosis function with dual safety circuits
- Internal relay operations can be monitored with an LED indicator
- Finger-safe protection
- 22.5mm wide 35mm DIN rail mounting
- EN ISO 13849-1 PLe Safety Cat 4 and EN 62061 SIL 3
- UL listed, CSA certified, TÜV NORD approved
- MTTFd (year): 83.1

#### General Information

|              |        |
|--------------|--------|
| Brand        | IDEC   |
| Product Type | Safety |

#### Technical Attributes

|                               |     |
|-------------------------------|-----|
| Power Consumption (W)         | 2.5 |
| Rated Insulation Voltage (V)  | 300 |
| Rated Operational Voltage (V) | 24  |

#### Physical Attributes

|                                    |            |
|------------------------------------|------------|
| Operational Temperature Range (°C) | -10 to +55 |
|------------------------------------|------------|

#### Dimensions

|                 |                    |
|-----------------|--------------------|
| Dimensions (mm) | 99W x 114H x 22.5D |
| Weight (g)      | 180                |

#### Protection & Standards

|                      |      |
|----------------------|------|
| Degree of Protection | IP20 |
|----------------------|------|
