

Self-declaration that the named construction product complies with the minimum requirements for environmental toxins in BREEAM-NOR v6.0 in compliance with Mat 02

MANUFACTURER:

PRODUCT TRADE NAME:

PRODUCT ID:

This form must be filled out and signed by a legally responsible person for the construction product manufacturer. The person confirms that the product has not been added to or contains substances from any of the lists below to date. Providing incorrect information can have legal consequences.

If a substance from any of the following lists is included in the product, the declaration cannot be signed.

- REACH Article 59(10) – Candidate list
- REACH Annex XVII – Restrictions
- REACH Annex XIV – Authorisation
- The Norwegian priority list

A requirement of documentation applies to products that contain/are

- Epoxy coating
- Carpets
- Vinyl
- Cellulose fibre
- EPS
- Translucent insulation
- Construction timber
- Laminated wood
- Asphalt roofing
- Roof or copper facade roofing
- Decks (glued)
- Modified wood (covers and cladding)

If any of the lists is updated, it is assumed that the manufacturer checks whether any of the ingredients is mentioned in the relevant list. If so, the self-declaration will be removed, and the document considered as expired. A new declaration can be signed when an up-to-date product without a substance/substances from the above-mentioned lists is provided.

This form is developed by Skanska, NCC, Peab and Hent. It is freely distributed via Cobuilder Collaborate.
